Dear Doctor Orr:

We have had a request for the birth certificate of Casper Joseph Sommer.

If you will recall, this was a Ceasarian Section, the mother died 24 hours after birth of the child. Her maiden name was Teresa Pope.

The record was not placed on file by you until a year after the birth of the boy, and the mother's name given is Monica Frei, who happens to be the woman who raised the boy after his own mother died. The birthdate on the certificate is also in error. Birthdate should be March 14, 1922 instead of March 10, 1923, as listed.

Will you kindly return this letter, authorizing us to make the changes necessary on this record?

Thanking you for your prompt attention to our request, we are

Very truly yours,

DIVISION OF PUBLIC HEALTH

Dear Mr. Bridger,

According to my records the statements made above by you are correct, and I am advising you to correct the dates on the certificate.

Yours sincerely,

Wesley D. Orr M.D.

#1921-114563 = Roy Elwood Raney born 06/24/1921 at 4:45 pm, second child born to CE Rainey age 31 and Mary Plank age 23

#1922-114477 = Roy Elwood Raney born 05/02/1922 at 10:45 pm, third child born to Chas E Rainey age 33 and Mary Plank age 24

Since the date of birth, time of birth, ages of the parents and birth order is different on each certificate, we do not believe that these are duplicate records of the same birth. Both records need the proper Delayed notations made on them since they were both stamped received August 22, 1923, more than one year after the date of event.

Program Supervisor Kathy Anderson and Registration Supervisor Kathleen Sullivan reviewed the records and we *think* when these certificates were received here late from the local registrar, neither certificate listed the child's name and our office likely sent out an inquiry for the child's name on each certificate to the parents.

#1921-114563 - On October 4, 1923, we stamped a returned inquiry signed by the mother that states the child born on 05/02/1922 should bear the name of Roy Elwood Raney. This inquiry was attached to the certificate for the child that ~~was born~~ in 1921. Our theory is that our office likely added the name of Roy Elwood Raney to the certificate and attached the inquiry in error. There is no evidence that we received a request from the parent(s) to name the child born in 1921, we did not find a death certificate on file for this child and there is no evidence that a copy of this certificate was ever issued.

#1922-114477 – On June 8, 1942, we stamped a notarized affidavit received signed by the mother requesting to add the name of Roy Elwood Raney to the birth certificate. Since her original request to name this child was incorrectly attached to the 1921 record, we amended the certificate with this affidavit. There is no evidence that a copy of the certificate was ever issued and we do not have a death certificate on file for this child.

03/22/2018 – We removed the original inquiry signed by the mother from 1921-114563 and attached it to 1922-114477. We did not remove the name of Roy Elwood Raney from the 1921 certificate because we do not have proof that our office actually entered the name in error, it could have been there at the time of filing.
